

Date	Section	Change
8/18/2023	Duplex (Doppler) Scan, Lower Extremity, Venous	New entry, Conditionally recommended
8/18/2023	Head and Neck Diagnostic Ultrasound	New entry, Conditionally recommended
8/18/2023	Thoracic Spine Diagnostic Ultrasound	New entry, Not recommended Topic title change from "Bone Scan (Musculoskeletal Scintigraphy) for Ankle and Foot Conditions" to "Bone Scan," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Bone Scan	Topic title change from "Ultrasound, Diagnostic for Ankle and Foot Conditions" to "Ankle and Foot Diagnostic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Ankle and Foot Diagnostic Ultrasound	Topic title change from "Diagnostic Ultrasound for Neck and Upper Back Conditions" to "Cervical Spine Diagnostic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Cervical Spine Diagnostic Ultrasound	Topic title change from "Ultrasound, Diagnostic for Elbow Conditions" to "Elbow Diagnostic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Elbow Diagnostic Ultrasound	Topic title change from "Ultrasound (Diagnostic) for Forearm, Wrist, and Hand Conditions" to "Forearm, Wrist, and Hand Diagnostic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Forearm, Wrist, and Hand Diagnostic Ultrasound	Topic title change from "Ultrasound (Sonography) for Hip and Pelvis Conditions" to "Hip Diagnostic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Hip Diagnostic Ultrasound	Topic title change from "Ultrasound, Diagnostic for Knee and Leg Conditions" to "Knee and Leg Diagnostic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Knee and Leg Diagnostic Ultrasound	Topic title change from "Diagnostic Ultrasound for Low Back Conditions" to "Lumbar Spine Diagnostic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Lumbar Spine Diagnostic Ultrasound	Topic title change from "Ultrasound, Diagnostic for Shoulder Conditions" to "Shoulder Diagnostic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Shoulder Diagnostic Ultrasound	

Subclavian Artery and Vein Duplex 8/18/2023 (Doppler) Scan	Topic title change from "Arterial Ultrasound TOS Testing for Shoulder Conditions" to "Subclavian Artery and Vein Duplex (Doppler) Scan," changed recommendation grade, recommendation statement update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Eye Diagnostic Ultrasound	Topic title change from "Ultrasound for Eye Conditions" to "Eye Diagnostic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Endobronchial Diagnostic Ultrasound	Topic title change from "Endobronchial Ultrasound for Pulmonary Conditions" to "Endobronchial Diagnostic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Epidural Corticosteroid Injection Viral Pandemic Management (COVID- 8/18/2023 19) for Infectious Diseases	Topic title change from "Epidural Steroid Injections (ESIs) for Pain" to "Epidural Corticosteroid Injection," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Ankle and Foot Therapeutic Ultrasound	Criteria update, evidence summary update Topic title change from "Ultrasound, Therapeutic for Ankle and Foot Conditions" to "Ankle and Foot Therapeutic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Elbow Therapeutic Ultrasound	Topic title change from "Ultrasound, Therapeutic for Elbow Conditions" to "Elbow Therapeutic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
Forearm, Wrist, and Hand Therapeutic 8/18/2023 Ultrasound	Topic title change from "Ultrasound (Therapeutic) for Forearm, Wrist, and Hand Conditions" to "Forearm, Wrist, and Hand Therapeutic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Knee and Leg Therapeutic Ultrasound	Topic title change from "Ultrasound, Therapeutic for Knee and Leg Conditions" to "Knee and Leg Therapeutic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023 Low Back Therapeutic Ultrasound	Topic title change from "Therapeutic Ultrasound for Low Back Conditions" to "Low Back Therapeutic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update

8/18/2023	Low-Intensity Therapeutic Ultrasound, Wearable Device	Topic title change from "Low-Intensity Therapeutic Ultrasound (LITUS, Sam Sport) for Pain" to "Low-Intensity Therapeutic Ultrasound, Wearable Device," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Neck and Upper Back Therapeutic Ultrasound	Topic title change from "Therapeutic Ultrasound for Neck and Upper Back Conditions" to "Neck and Upper Back Therapeutic Ultrasound," recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Shoulder Therapeutic Ultrasound	Topic title change from "Ultrasound, Therapeutic for Shoulder Conditions" to "Shoulder Therapeutic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Wound and Burn Therapeutic Ultrasound	Topic title change from "Ultrasound-Assisted Wound Treatment (UAW) for Burns and Wounds" to "Wound and Burn Therapeutic Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
8/18/2023	Bone Growth Stimulators, Ultrasound	Topic title change from "Bone Growth Stimulators, Ultrasound for Ankle and Foot Conditions" to "Bone Growth Stimulators, Ultrasound," changed recommendation grade, recommendation statement update, related topics update, criteria update, risk vs. benefit update, evidence summary update
