Mr. Clanahan serves as the Protective Security Advisor (PSA) for DHS Cybersecurity & Infrastructure Security Agency (CISA). Based in Kansas, he supports the CISA's mission of strengthening the security and resilience of the nation's critical infrastructure.

PSA Clanahan proactively engages with federal, state, local, tribal, and territorial government mission partners and members of the private sector stakeholder community to protect critical infrastructures. PSA Clanahan conducts security assessments and supports security planning, training, large-scale special events and exercise.

Mr. Clanahan holds a Bachelor of Science Degree in Criminal Justice from Chaminade University. He is a graduate of the Federal Bureau Investigation National Academy (FBINA), and he holds the ASIS Certified Protection Professional (CPP) certification.
