Kayla Schneider has served the City of Russell since 2014. She has worked in various positions, including Human Resources Director and currently as Assistant City Manager. She has overseen the safety program for the City of Russell for the past 6 years.

Schneider obtained a Society of Human Resources Certified Professional certification in 2019 and a Master of Public Administration with certificates in City/County Management and Economic Development in 2021.

Outside of municipal work, Schneider is involved in multiple civic groups and organizations working toward the betterment of the community. She is also a proud military spouse and mom to four children.
