Before joining the KS Department of Labor in 2014, he served as a Safety Specialist for the Kansas Department of Transportation (KDOT).

Since joining KDOL, Tim has served as a safety consultant for the Public Sector, performing safety audits of public school districts, community colleges, cities, counties, and state workplaces. He currently serves as the Supervisor of the Public Sector of the Division of Industrial Safety and Health.

Tim is an authorized OSHA Outreach Trainer for General Industry and Construction and a certified Medic First Aid/CPR/AED trainer. Tim received his Kansas Certified Public Manager (CPM) in 2012 and is a 1985 graduate of Northwest Area Vo-Tech, Goodland Kansas-Electronic Technology.
