I started in safety in 1999 in the mining industry. I served on two mine rescue teams, was Captain of one of the teams and was an EMT-I. I am an MSHA, OSHA and PEC authorized instructor and spent 7 years training employees of the mining industry and general industry at the HutchCC Safety Academy.

I currently work in the Oil and Gas Industry as an HSE Specialist. I have 7 kids and 12 grandkids and spend my spare time with family and in my rose garden
