Ken Brooks, Jr. completed a Bachelor of Science in Industrial Safety from the University of Central Oklahoma in 2000. Brooks currently holds the Certified Fire Protection Specialist (CFPS) and Certified Safety Professional (CSP) designations.

Ken has over twenty years of safety experience and has been employed with Insurance Planning, Inc. (IPI) for fourteen years. His duties with Insurance Planning, Inc. include conducting safety meetings, performing safety inspections, and helping to establish safety programs for the companies that are insured through IPI. These companies are involved in various industries, and range from manufacturing to oilfield to hospital and restaurants, etc.

Ken's previous employment includes working with the Insurance Services Office (ISO) helping cities and counties in maintaining and improving ISO fire protection ratings.
