

## DUANE BILLINGER

Owner

### First Responder KS

Duane Billinger has been in the medical arena for the past 42 years serving as an EMT and paramedic, clinical and EMT instructor, flight medic and working in the ER/ICU and cardiac cath lab.

Billinger holds an associate degree and has been trained in various critical care courses. He is the current owner of First Responder KS. First Responder KS is an independent distributor of all brands of AEDs and offers first aid/CPR/AED training. Billinger is also an AED specialist and offers free assessments and inspections on your AEDs.
