

SHANE ETZOLD

Public Sector Supervisor

Kansas Department of Labor -
Industrial Safety and Health

Shane Etzold has over 20 years of experience in environmental and safety management for general industry and construction. Before joining the Kansas Department of Labor (KDOL), he served as a safety specialist for the Kansas Department of Transportation (KDOT), a fire prevention inspector for the Kansas Office of the State Fire Marshal (OSFM), and safety manager for a cabinet manufacturing company. Since joining KDOL Etzold has served as a safety consultant for the public sector performing safety audits of public school districts, community colleges, city, county and state workplaces. He is the supervisor of the public sector for the Industrial Safety and Health (ISH) Division. Etzold is an authorized OSHA outreach trainer for general industry and construction. He earned a CSP designation from BCSP and is a graduate of Pittsburg State University with a bachelor's degree in Technology Management and a master's degree in Human Resource Development.
