

GARY HIGBEE

EMBA CSP

President/CEO

Higbee & Associates Inc.

Gary Higbee has over 50 years of experience ranging from working on the factory floor to upper management. His assignments include positions in production engineering, safety and environmental engineering, production management, corporate director, vice-president and president/CEO. Higbee has an MBA from the University of Iowa and is a board-certified safety professional. Higbee is a past recipient of the Safety Professional of the Year Award for Region IV of the American Society of Safety Engineers. In 2010 Higbee received the Distinguished Service to Safety Award (DSSA) from the National Safety Council. The DSSA is the National Safety Council's highest individual award. In 2017 he received the Gary Hawk Award for safety excellence. In addition to consulting, Higbee has published many articles and is a frequent keynote speaker around the world. Using over 50 years of experience and a sense of humor, Higbee has become an internationally known speaker on safety, health, environmental and business issues.
