

Trades and Technical unit, because incumbents in this classification assigned to correctional facilities primarily supervise inmates and do not supervise state employees in regular positions.

Pursuant to the mutual agreement of the parties, KOSE, D of A and KDOC and there being no statutory violations in the proposed amendment, it is hereby ordered that the classification of Correctional Industry Manager be removed from the Administrative Professional unit. The amendment of the Maintenance, Trades and Technical unit will be addressed in a separate order.

As determined appropriate by the PERB in case No. **75-UD-1-2007**, the unit parameters for the Administrative Professional unit are as follows:

INCLUDE: Employees included in this unit shall be in classified and/or unclassified job titles and in full-time or part-time regular positions with similar or like job classifications or functions.

EXCLUDE: Employees excluded from this unit shall be all confidential, managerial, supervisory, temporary and original appointment probationary status employees, elected officials and positions in Regents Institutions.

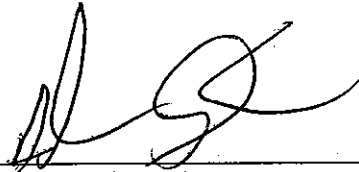

Positions specified by class title, job code, agency and classified or unclassified position status that are found to be appropriate to this unit are attached hereto and made a part hereof.

IT IS SO ORDERED this 31st day of December, 2008.
