Mr. Clarence L. Williams
Director
Tri-County Special Education
Cooperative No. 607
220 East Chestnut
Independence, Kansas 67301

Dear Mr. Williams:

As you will recall, the school psychologists at Tri-County Special Education Cooperative petitioned this board to amend the appropriate bargaining unit at that facility. It is my understanding that the school psychologists are not classroom teachers thus allowing for their inclusion or exclusion from the unit. The petition asks that the psychologists be excluded. Neither the certified employee organization or the public employer have objections to this exclusion, therefore our records will reflect the amended unit in the following manner:

Include: (All Previously Included Job Classifications)

Exclude: School Psychologists, Administrators, and all other employees of Tri-County Special Education Cooperative No. 607

Thank you for your assistance in this matter. If you have any questions please contact me at this office.

Sincerely,

Paul K. Dickhoff, Jr.
Administrative Officer

Dear Mr. Powell:

The Board of Education of Tri-County Special Education Cooperative No. 607 has no objections to the following:

The school psychologists employed by the Tri-County Special Education Cooperative to be exempted as a class from the Tri-County Education Association. It is understood the psychologists will not be members of the association bargaining unit, however, they will not form a separate bargaining unit.

The Board of Education did not take formal action to the fore-going. However, the board has no objections.

Respectfully,

Clarence L. Williams,
Director
